

With bmusic's unrivalled online presence you can not only shop, you can read and learn from dozens of articles on everything from songwriting to marketing to theory.

Find a band or perhaps a band member, get a volume of info on how to promote your own band or act. You can soak up the eye candy at our two brand specific sites which are amongst the world's most visited resources for ESP and Caparison guitars respectively. Or you can discuss all things guitar, share your gear pics and stories with likeminded gearhounds, buy and sell, and even catch up with and chat with some world famous axesmiths at our Discussion Forum.

Australian ESP Dealer of the Year

Framus

Hughes & Kettner
TECHNOLOGY OF TONE

bmusic are Australia's MOST AWARDED ESP and LTD dealers.

No one in Australia stocks as many ESP and LTD guitars and basses as we do. Not to mention exclusive commissioned models for us alone, unparalleled custom shop expertise, and a huge range of guitars that exist nowhere else in the country. In-store or online you'll not find better ESP stock or knowledge with outstanding discounts to match.

And with good reason.
